CEMO
for safe storage

PRODUCT DATA SHEET

Environmental cabinet with full-extension pull-out shelves, 39 L, grey, double hinged doors, grey doors

Order no.: 11010

PRODUCT DESCRIPTION

- suitable for storing water-hazardous and environmentally hazardous, non-flammable substances pursuant to TRGS 510
- made of quality steel sheet with high-quality powder coating in grey (RAL 7035)
- base bund made of 3 mm thick steel in compliance with StawaR
- removable, galvanised spill tray shelves for ideal access to all containers and tanks
- interlock protection as standard, prevents more than one shelf from being opened simultaneously
- ventilation openings for natural ventilation
- 180° door-opening angle for convenient handling
- connection option for external ventilation (NW75) in cabinet ceiling
- galvanised trays on each storage level
- hazard warning label included
- document pouch on inside of door

TECHNICAL DATA

Collection volume	39 l
